MEMORANDUM FOR: The Director

SUBJECT: Executive Salary Schedules

I understand Mr. Vinson may speak to Senator Russell on re-establishing the Director of Central Intelligence's position at Level II. I think we should not write Senator Russell and Senator Saltonstall until we see what the Rules Committee does in the House. If an open rule is given which will permit amendments, Mr. Morrison has committed himself to offering the appropriate amendment, and if successful there would then be no action to ask of the Senators except to see that no change was made on the Senate side. If, however, a closed rule is given which would prohibit amendments in the House, we should immediately alert Senators Russell and Saltonstall and appropriate members of the Senate Post Office and Civil Service Committee that action there will be required.
